A diligent, versatile designer with a strong eye for detail. I enjoy using my diverse skill set to problem solve and bring ideas to life through graphic communication.

WORK EXPERIENCE

Senior Creative Designer | Remote

Designity, July 2022-Current

- Worked across 4-6 projects, industries, brands, and timelines simultaneously
- Ensured that designs meet quality standards and project deadlines
- Implemented feedback quickly and comprehensively to keep clients satisfied and timelines on schedule
- Collaborated with creative directors & other designers to understand the client's design needs and how to best work towards their goals

EDUCATION

Graphic Design: Digital & Print Media | Certificate

Minneapolis College, 2023

Web Design & Front-End Development | AAS

Minneapolis College, 2022
